

AN ANNOUNCEMENT REGARDING COVID-19

DEAR FRIENDS OF HCFM,

The Hub City Farmers Market is essential to the livelihood of farmers and food access, and is not just a social gathering. Keeping this in mind, HCFM had decided to go ahead with our Winter Harvest Market on March 21, 2020. In order to keep market goes as healthy as possible HCFM will be scaling back market activities by eliminating food sampling and kids activities. We will also be urging our vendors and staff to use good handwashing practices and wear sanitary gloves when handling money, credit cards and tokens. Please know that HCFM did not make this decision lightly. We spoke with our community partners and researched and consulted DHEC and CDC guidelines before coming to this conclusion. Please do not come to the market if you are sick, but if you are well we would love to see you on March 21st at Ciclops Cideri and Brewery! If you have any further questions or concerns please feel free to reach out to me at Hraines@hubcityfm.org.

THANK YOU,

HEATHER RAINES

Associate Director, HCFM
