

COVID-19 RESPONSE

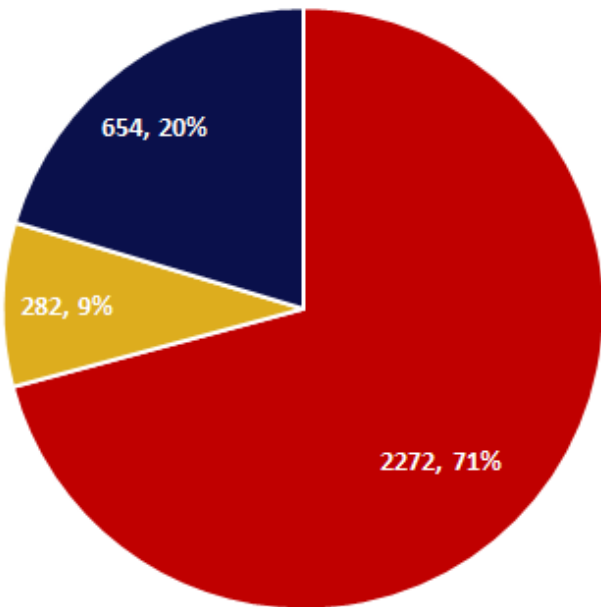

Upstate Warrior Solution has not stopped serving our community's veterans during the COVID-19 crisis.

In fact, we've been busier than ever conducting wellness checks on the ~7,000 veterans in our network, engaging our community partners, and calling our supporters to update them on our response to this health crisis.

In April, UWS partnered with Premier Foundation to distribute a **\$50,000 COVID-19 relief fund** for local warriors.

To date, UWS has awarded a total of **\$6,235 to 8 applicants** and has facilitated the direct payment of mortgages, utilities, car repairs, etc., for veterans who have been furloughed or are experiencing financial hardship due to COVID-19.

Our team is currently reviewing an additional 8 applications.

100% of warriors who have applied for the relief fund have received assistance.
